**Neighborhood**

Create the conditions necessary for public and private reinvestment in distressed neighborhoods to offer the kinds of amenities and assets, including safety, good schools, and commercial activity, that are important to families’ choices about their community.

- **Activity: My Big Idea...**
  1. What needs attention in your neighborhood? What changes should be made to the neighborhood?
  2. What would keep you living in this neighborhood 10 years from now?
  3. Where do you go in the neighborhood to interact with your neighbors?

**People**

Improve outcomes of households living in the target housing related to employment and income, health, and children’s education.

- **Activity: Who in the neighborhood do you go to get your information?**
  1. What services / programs / activities do you currently use? Are they easy for you to get to? What would make it easier?
  2. What services / programs / activities do you need?
  3. What do you like about the education programs / schools in the neighborhood?

**Housing**

Replace distressed public and assisted housing with high-quality mixed-income housing that is well-managed and responsive to the needs of the surrounding neighborhood.

- **Activity: When it comes to my home....I need / I want**
  1. What do you love about your home?
  2. What would you change about your home?
  3. What does your ideal home look like?
